Dear Mr. Gilbeau,

On behalf of Taggart Miller Environmental Services, we are trying to send information to the Ottawa Métis Council regarding an Environmental Assessment of the Capital Region Resource Recovery Centre. We sent a package last week to 41 Tulane Crescent in Ottawa but that was returned. I am wondering if we can send information to this email address or if you know of an alternate mailing address that would be preferred.

Thank you for your information.

Regards,

Megan Farnel
